

100W

190 x 52 x 37 mm

60W

166 x 42 x 34 mm

36W

148 x 40 x 30 mm

15W

162 x 28 x 20 mm

5W

52 x 26 x 21 mm

100% Inspected ✓

100% Burn-in Tested ✓

WIDE Input voltage range ✓

STABLE Constant voltage output ✓

KEY COMPONENTS ARE MADE IN USA AND GERMANY

### Powermax™ Technology inside

1. Enhanced strong coil transformer's capacity is 50% higher
2. 100% Full-load constantly, 15%+ loading capacity
3. Steady output current, steady low deffective rate
4. The power supplies are born for 100% loading

Waterproof

Short-circuit Protection

Over Voltage Protection

Over Heating Protection

Full warranty
