

Flexible neon

KN-0613M120-10W-24V-W

TECHNICAL INFORMATION

LED type	2835
Input	24V DC
Color temperature	3000 K / 4000 K / 6500 K
Beam angle	120°
Protection level	IP 64
Cutting ratio	8,3 mm
Working temperature	-20°C + 60°C
Available colors	
Power	10 W/m
Light output	up to 490 lm

24V DC

SILICONE 100%
maintains tightness throughout its service life
